  - *Funding type:* Services
  - *Amount Requested:* \$1,240.00
  - *Amount Allocated:* \$1,240.00
- **App No. 174- Luso-Brazilian Association**
  - *Description:* Application is requesting funding for an event where the organization will be sharing Portuguese-speaking culture with campus and the Illinois community through food, music, and dance workshops
  - *Event Description:* This event will be begin with a short introduction from the Luso-Brazilian Association with a buffet featuring foods similar to foods found in a Brazilian Churrasco and in Mozambique Coast. During this meal, UIUC graduate music students will play music from Portugal. Towards the end of the meal, a brief lesson on the history and importance of Carnaval (one of the most widely celebrated holidays in Brazil) will be given by Professor Goebel from the Portuguese Department. Afterwards, a group of various native Brazilian UIUC students will begin to lead a workshop where participants can learn the various dance styles associated with Carnaval. Through out the even, there will also be traditional Brazilian treats such as brigadeiro and Guarana for participants to enjoy.
  - *Reviewer's Notes:* The event is free and on-campus, and I recommend it be funded at 100%

- **App No. 127- Illinois Design Challenge**
  - *Description:* Application is requesting funding for the event Illinois Design Challenge that will promote the application of computer assisted design programs to real-world problems. Space rental and food for event

- *Event Description:* The Illinois Design Challenge is the flagship event hosted by the Illinois Design Challenge RSO. The event itself is held similarly to a hackathon but for computer-aided design, giving UIUC students the ability to demonstrate their talents with design by competing in a 72-hour design sprint on a design prompt of their choosing. In partnership with some industry sponsors which range from year to year, design challenges are held to solve problems that different companies are currently facing ranging from manufacturing to installation issues. During the event, workshops are held for participants with no CAD experience whatsoever as to give each individual a fair chance at winning the competition. During the three-day span, meals are held for participants with guest lectures and speeches to help incite interest in the design field. The event is not exclusive to any specific major or department and all individuals with an interest are welcome to join
- *Reviewer's Notes:* I recommend we fund the application at 100%

- **App No. 107- Graduate Biomedical Engineering Society (GradBMES)**

- *Description:* Food for event where students share their research
- *Event Description:* "In the field of bioengineering, two critical approaches often exist in silos: experimental research and computational analysis. The Graduate Biomedical Engineering Society (GradBMES) recognizes the untapped potential lying at the intersection of these disciplines. To address this gap and foster a culture of collaboration, we would like to introduce our program, the "Experiments Meet Computation Symposium". This event will be a dynamic half-day event designed to unite students engaged in experimental and computational research. Its primary goal is to facilitate interdisciplinary collaboration and innovation by providing a platform where students can not only showcase their individual research but also identify synergies and gaps that can be addressed by the complementary expertise of their peers. To do this, our event will start with oral presentations by students. A central component of each of these presentations will be the identification of gaps in their work that could benefit from the expertise of the other group. This will be followed by a lunch and discussion session where we will be providing pizza.
- We will be implementing an RSVP system, but anticipate the participation of approximately 30 people. This event will be on campus and free and open to all students
- *Reviewer's Notes:* I believe that the program, budget, and supporting documentation all meet SORF Standards. I recommend we fund the application for the full amount

- App No. 110- **Graduate Biomedical Engineering Society (GradBMES)**
  - *Description:* Food for event to connect students with faculty mentors
  - *Event Description:* "Description: In order to foster a relationship between bioengineering faculty and students, GradBMES wants to host a coffee with faculty event providing students with a chance to meet faculty in a more informal setting. Faculty will briefly introduce themselves and their research which will be followed by an informal discussion between students and the faculty. To encourage participation from the wider community, we want to provide bagels and coffee for those attending the symposium. This meeting will be open to all, on campus and at no cost to UIUC students
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the program, budget, and supporting documentation all meet SORF Standards. I recommend we fund the application for the full amount

- App No. 159- **Illinois Biophysics**
  - *Description:* Catering and screen/sound rental for research and networking symposium
  - *Event Description:* "Illinois Biophysics will be hosting a research and networking symposium for all students interested in biophysical research. The purpose of this student-run event is to provide a space for students, faculties, and staff to come together, share their research,

- and foster a collaborative community. The students can present their research in poster format during a session when attendees can visit each of the posters individually and interact with the presenters about their work. This event is meant to be a relatively thorough exposure to the active research currently occurring in the field of biophysics. Throughout the event a series of informal talks will be provided by the faculties to share their science and personal research journeys. There will be a complimentary breakfast offered to attendees in the morning followed by lunch during a break midway through the event where attendees will be given the opportunity to network with peers in the field as well as established faculty from the university. Our request for funding will finance the multimedia equipment rental and catering for breakfast and lunch for roughly 100 attendees. The space rental will be free as we are a registered student organization, and we request space on campus. Please note estimates are based on real values for the same event hosted last year with roughly 100 attendees. Please also note that the estimates have been rounded up to the nearest tenth of a dollar to account for any increases in facility/equipment fees. All uploaded documentation of estimates and quotes was for the most recent symposium held in April 2023
- *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the program, budget, and supporting documentation all meet SORF Standards. I recommend we fund the application for the full amount

- **App No. 86- Illinois Space Society**

- *Description:* Parts for rocket used in competition
- *Event Description:* "Friends of Amateur Rocketry-51025 Challenge – Rocketry Team
- In pursuit of the long-term project goal of reaching the Karman Line, the official edge of space, the Illinois Space Society's Spaceshot team is competing in the unlimited altitude division of FAR-51025 (Friends of Amateur Rocketry-51025). This is a competition in Mojave Desert, California that awards points based primarily on altitude. ISS previously annually competed in the Spaceport America Cup, formerly known as IREC. ISS has competed in the Spaceport America Cup since 2019, placing 6th in 2019, 4th in 2021, and 2nd in 2023. Spaceshot is divided into 3 main teams—Structures, Avionics, and Recovery—with 6 subteams—Structural Design & Analysis, Fabrication, Electronic Hardware, Guidance

Navigation & Control, and Avionics Structures—all of which are led by team and subteam leads. Many of the rocket components, including the fin can, nose cone, and altimeters are being designed in-house through student research. The faculty advisors are Dr. Tim Bretl, Dr. Jeff Baur, and John Williams

- *Reviewer's Notes:* This application is requesting funding to participate in a competition they have historically partook in and is requesting the amount for items necessary to participate in this competition, as it will take place on campus at no cost to Illinois students by SORF standards we may fund this
- *Funding type:* Programs
- *Amount Requested:* \$987.52
- *Amount Allocated:* \$953.11
- *Rationale:* Line item 11 has already been purchased
- **App No. 62- Illini N Motion Dance Team**
  - *Description:* Tech rental and staffing fees for showcase in Lincoln Hall\
  - *Event Description:* On December 3rd, we would like to host a winter showcase at Lincoln Hall featuring performances by other university dance teams and local studios. We intend to raise money for young local dancers who cannot afford classes at studios within the Champaign-Urbana community. We plan to raise money through small fundraisers prior to the event and at the event by charging other dance teams to perform as well as having an admission fee for audience members
  - *Reviewer's Notes:* Since will be collecting a small ticket fee not completely free for Illinois students, following SORF standards we may fund a part of what they are asking for
  - *Funding type:* Programs
  - *Amount Requested:* \$1,869.5
  - *Amount Allocated:* \$1,402.13
  - *Rationale:* On campus and charging Illinois students. 75% funded
  - *Administrative Adjustment:* \$934.75
  - *Administrative Note:* Charitable events are subject to 50% funding, not 75% funding.
- **App No. 75- Illinithon**
  - *Description:* Inflatable bounce house, Photobooth rental, and ARC rental
  - *Event Description:* Our annual event is called the Big Event. It is a 12-hour dance-a-thon where members of the organization and their friends fundraise for the children at St. John's Hospital in Springfield, IL. We have games, obstacle courses, and entertainers to keep those attending entertained as they fundraise. We also do hourly stories with families who share with us their journey in the NICU and how we have helped them
  - *Reviewer's Notes:* In interest of RSO community and follows SORF standards, is charitable event but materials funding requested for is mostly rental of equipment and space
  - *Funding type:* Programs
  - *Amount Requested:* \$4,756.50
  - *Amount Allocated:* \$712.16
  - *Rationale:* Line item 3 has poor supporting documentation. On campus and charging Illinois students - 75% plus 30% non-Illinois students
- **App No. 74- Japanese Animation Club**
  - *Description:* Consumable supplies and food for anime and comic convention
  - *Event Description:* UI-CON is the University of Illinois's first ever Anime and Comic Convention. We are working together with Cosplay Design League; Character Creation Hub; IlliniFurs; Illini Esports; and The Manga, Manhwa, and Manhua Club to put together this large event. Currently we have the entire Illini Union rented out so we can host all our

- events like the Vendors Hall/Artist Alley, Cosplay Contest, Panels, Performances, Maid Cafe, Gaming Room and more
  - *Reviewer's Notes:* Free for Illinois students, on-campus, but 20% non-Illinois student attendees
  - *Funding type:* Programs
  - *Amount Requested:* \$3,209.72
  - *Amount Allocated:* \$2,567.78
  - *Rationale:* Free for Illinois students, on-campus. 20% non-Illinois student attendees
- **App No. 99- Bangladeshi Students Association**
  - *Description:* Food, cultural dresses, face paint, decorations, and flyers for Bangladeshi Cultural Festival
  - *Event Description:* The event 'Bangladeshi Cultural Festival and Freshers Reception' will showcase Bangladeshi culture to the campus wide audience at UIUC and welcome the newly admitted students. The event will include different cultural program like Bangladeshi songs, dance and drama performed by the members of the organization. It will give an orientation of the Bangladeshi culture to the new member of the organization as well to the greater audience in UIUC campus. We plan arrange the event on 11th November 2023 and the expected venue of the event is Orchard downs community center. We are expecting a total of 200 participants. The event will be open and free to all UIUC students. We also plan to publicize the event through flyer, poster, and social media platforms
  - *Reviewer's Notes:* On campus and free for students, looking to fund performance space and as well as marketing material in scope of SORF standards
  - *Funding type:* Programs
  - *Amount Requested:* \$3,800.00
  - *Amount Allocated:* \$3,420.00
  - *Rationale:* On campus & free for Illinois students. 10% non-Illinois attendance
- **App No. 82- Pulse**
  - *Description:* Advertising costs, hard wear kits, and breadboard kit for conference
  - *Event Description:* "Pulse is an annual conference that occurs late in January. The conference is technology-centric and has the following events (some multiple times) over the span of a week:
    - - technical workshops (hardware, electronics, APIs)
    - - Women in Tech Day
    - - Highschool Day
    - - Tech Talks
    - - Industry talks
    - - Panel Discussions
    - - Hardware Competition
    - - Software Competition
  - This conference aims to promote tech-savvy skills among students and support their academic and professional development - by exposing them to industry professionals, and skills via competitions and workshops.
  - *Reviewer's Notes:* Is in interest of Illinois community and free/open to all students on campus
  - *Funding type:* Programs
  - *Amount Requested:* \$1,485.00
  - *Amount Allocated:* \$1410.75
  - *Rationale:* On campus & free for Illinois students. 5% non-Illinois attendance.

- **App No. 92- Illinois-Coalition Assisting Undocumented Students' Education**
  - *Description:* Food and consumable supplies for charitable event to raise money for DACA renewals
  - *Event Description:* Fundraiser for DACA renewals for DACAmented students at U of I. Will be selling food and educating people on undocumented students struggles
  - *Reviewer's Notes:* Is a charitable event looking to raise money for Illinois community and those of interest to their RSO
  - *Funding type:* Programs
  - *Amount Requested:* \$474.84
  - *Amount Allocated:* \$237.42
  - *Rationale:* Charitable Event subject to 50% adjustment.
- **App No. 117- STYL Project**
  - *Description:* Supplies for block printing workshop
  - *Event Description:* "Event Description:
  - This is a fun and interactive Creative Block Printing Workshop where students will have the opportunity to unleash their artistic talents and create unique, personalized designs on clothing. Block printing is a centuries-old craft that combines the art of carving and printing, allowing them to express their creativity in a tangible and lasting way
  - *Event Highlights:*
  - *Carving Their Designs:* Each attendee will receive their own 4x6 rubber block, which will serve as the canvas for their creativity. Under the guidance of experienced instructors, participants will learn how to carve out their desired designs onto the rubber blocks. Whether they are a beginner or an experienced artist, we will provide tips and techniques to help them bring their ideas to life.
  - *Ink and Printing:* After carving their design, they will add some color. We will provide a variety of high-quality inks. Attendees will learn how to apply the ink to their rubber block and then transfer it onto a piece of clothing or paper. The process is similar to using a stamp but with the added benefit of customizability.
  - *Custom T-Shirt Design:* In addition to the rubber block, each participant will receive their own plain white T-shirt. This is their canvas to create a wearable work of art. Experiment with different colors, patterns, and designs to make a T-shirt that reflects their unique style.
  - *Taking Home Their Creations:* At the end of the workshop, they will get to keep both the custom rubber block and their personalized T-shirt. The rubber blocks are reusable, so they can continue to create their own custom designs in the future.
  - *Material Descriptions*
  - *Linoleum Block:*
  - *Description:* A rubber block that serves as the canvas for participants to carve their designs into.
  - *Use:* Each attendee will receive one linoleum block to create their unique designs.
  - *Block Printing Paint:*
  - *Description:* Specialized ink or paint designed for block printing.
  - *Use:* This paint will be used to transfer the carved designs onto the t-shirts.
  - *Plates:*
  - *Description:* Distribute the paint and maintain a clean workspace.
  - *Use:* Plates will be used to keep all the scraps of rubber that were carved out
  - *Spoons:*
  - *Description:* Utensils with flat bottoms, typically made of plastic or metal.

- Use: Spoons are used to scoop out and distribute the block printing paint onto the linoleum blocks.
- Block Print Carving Tools:
  - Description: Tools designed for carving linoleum blocks.
  - Use: Each attendee will receive one block print carving tool to carve their designs into the linoleum block. Woodcarvers can be used to maximize cost efficiency.
- Plexiglass:
  - Description: Clear, durable plastic sheets.
  - Use: Plexiglass is used as a smooth surface for rolling paint, ensuring the brayer roller picks up paint evenly.
- Brayer Roller:
  - Description: A roller with a handle and a rubberized surface.
  - Use: Brayer rollers are used to pick up ink from the plexiglass and transfer a thin, even layer of ink onto the linoleum block. One brayer roller is needed for each color of paint, and in this case, six rollers are required for the six colors."
- *Reviewer's Notes:* This application is requesting funding for an event where the organization will promote and make students more aware of and familiar with the process of handmaking art, for use in small business models as well as personal enjoyment. As the event is on-campus and not free for Illinois students, I recommend the application be funded at 75% per SORF standards
- *Funding type:* Programs
- *Amount Requested:* \$246.50
- *Amount Allocated:* \$184.88
- *Rationale:* On campus, charging Illinois students - 75%
- App No. 164-**Chinese Language and International Development Society**
  - *Description:* Lincoln Hall rental and advertising costs for dance showcase
  - *Event Description:* The Chinese Language and International Development Society (CLAID) is hosting their second Chinese New Year Showcase in Spring 2024. This showcase will be hosted by CLAID's performance branch, where seven different styles of dance will be choreographed, taught, and performed by CLAID members. The styles that will be showcased are Boys and Girls C-Pop, Hip Hop, Glowsticks, Chinese Flag, Chinese Long Sleeves (or Water Sleeves), and Chinese Fan. Aside from these performances, CLAID will also be welcoming other RSOs on campus to perform; all performance styles like dancing, singing, playing musical instruments, etc. will be welcome to the showcase, as long as the performance is somehow related to Chinese or Chinese American culture. Throughout the year, CLAID members will have weekly practices to rehearse for the show, other members may choose to participate as backstage crew, ushers, ticket tenders, emcees, etc. if they do not wish to be dancers. The showcase itself will be free and completely open to the public, with everyone welcome to engage as a performer or audience member. The showcase should allow celebration of Chinese New Year with all members of the UIUC community
  - *Reviewer's Notes:* This application is requesting funding for space reservations and digital advertisements for a dance showcase and Chinese New Year celebration. Based on their responses, 10% of attendees are expected to be non-Illinois students, but the event is on campus and free to attend. The org did not include an example of the TV ad they are requesting funding for. As such, I recommend the TV ad line item be denied and the rest of the application be funded at 90% per SORF standards (total \$2509.65).
  - *Funding type:* Programs
  - *Amount Requested:* \$2,818.50

- *Amount Allocated:* \$2,536.65
- *Rationale:* On campus, free for Illinois students. 10% non-Illinois attendees. - 90% funded
- **App No. 50- Habitat for Humanity**
  - *Description:* Food, consumable supplies, ice arena rental, broomball rental, and advertising for fundraising event
  - *Event Description:* Broomball is one of our signature events in which teams or individuals can sign up to participate in a tournament that is essentially hockey without skates and with brooms. It is a lot of fun and we normally have about 200-250 people sign up every semester. This year it is taking place at the ice arena on November 11 from 10:30pm - 1:30 am
  - *Reviewer's Notes:* This application is requesting funding for a fundraising event (Broomball tournament). This is a charitable (fundraising) event. RSO did not include a mockup of digital advertisement in their application. As such, I recommend we deny that line item (\$30) and fund the rest of the application at 50%, per SORF standards. (\$320.25)
  - *Funding type:* Programs
  - *Amount Requested:* \$670.50
  - *Amount Allocated:* \$480.38
  - *Rationale:* On campus, charging Illinois students - 75%. Deny digital signage (-\$30)
- **App No. 129-Engineers Without Borders - UIUC**
  - *Description:* Timing service, EMT service fees, t-shirts, and speaker rental for 5k
  - *Event Description:* We are planning a 5K on April 21st to celebrate Earth Day, while also promoting our club to students (in hopes of them joining) and the community (to educate them about international engineering projects conducted by UIUC students). The 5K route will be around the union. The cost of hosting a 5K includes timing, food, water, shirts, volunteers, bibs, and a starter official. We are hoping that SORF can finance some aspects, while the other aspects will be financed through the cost to sign-up for the 5K
  - *Reviewer's Notes:* This application is requesting funding to host a 5k in April with the goal of introducing the wider campus community to the mission, purpose, and history of the RSO. This event is on-campus and there is a sign-up fee for students. As the group anticipates about 10% of attendees to be non-Illinois students, I recommend we fund the application at 65%. (\$2130.38)
  - *Funding type:* Programs
  - *Amount Requested:* \$3,277.50
  - *Amount Allocated:* \$1,069.20
  - *Rationale:* Deny line item 3 (t-shirts) - not necessary. 10% non-Illinois students - 90% funded
- **App No. 122- TEDxUIUC**
  - *Description:* Presentation package and lighting rental for speaker event
  - *Event Description:* As the representatives of TED at the University of Illinois, we will hold events throughout the semester including this event, the conference. It is the single biggest event that we have where we will invite people to talk from all over the world
  - *Reviewer's Notes:* Supporting documentation does not match budget request. Based on their responses, 50% of attendees are anticipated to be non-Illinois students. Pending clarification from the Treasurer on documentation and cost to students, I recommend that we strike the second line item (medium lighting package - \$103.20) and fund the remaining application at 50%.
  - *Funding type:* Programs
  - *Amount Requested:* \$225.84
  - *Amount Allocated:* \$91.98

- *Rationale:* No supporting documentation for line item 2. On campus & charging Illinois students - 75%
- **App No. 150- American Advertising Federation**
  - *Description:* Registration fees and lodging fees for competition
  - *Reviewer's Notes:* The American Advertising Federation has requested money which aligns with their mission
  - *Funding type:* Services
  - *Amount Requested:* \$4,495.30
  - *Amount Allocated:* \$4,294.98
  - *Rationale:* Line item 2 exceeds \$999.99
- **App No. 160- Illini Global Forensics**
  - *Description:* Entry fees and lodging fees for competition
  - *Reviewer's Notes:* Support organizations mission
  - *Funding type:* Services
  - *Amount Requested:* \$3,290.76
  - *Amount Allocated:* \$3,118.59
  - *Rationale:* Line item 1 is above \$999.99
- **App No. 121- Illini Swim Club**
  - *Description:* Travel and lodging to swim meets
  - *Reviewer's Notes:* Supports organizations mission
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$5,000.00
  - *Rationale:* Line item 2: SORF Standards do not fund parking. Adjust to \$1,776.06
- **App No. 19- Illinois Women's Volleyball Club**
  - *Description:* ARC space rental and event manager fees for volleyball tournament
  - *Event Description:* We host two home tournaments during the year; one in the fall, and one in the spring. These will feature approximately 10-20 teams competing in ARC Gym 1 from 8 am until 8 pm. We have the entire gym rented out, in addition to one MP room and the supervision of an event manager. We have already had our fall tournament's purchase request approved; therefore, this is just a request for spring tournament funding with the same expected costs
  - *Reviewer's Notes:* This application is requesting funding for an all-day volleyball tournament that will promote club sports and campus recreation. It is on-campus and free for Illinois students to attend, however they estimate that 40% of attendees will not be from the student body. As such I recommend, we fund the application at 60% (\$714)
  - *Funding type:* Programs
  - *Amount Requested:* \$1,190.00
  - *Amount Allocated:* \$714.00
  - *Rationale:* 40% non-Illinois students - fund at 60%
- **App No. 165- Girl Gains at UIUC**
  - *Description:* ARC rental, stickers, yoga mats (amazon), travel, and CIF room rental
  - *Reviewer's Notes:* The organization is requesting money for equipment needed for their organization to operate and succeed. Yet, these have already purchased stickers — something that is not fundable as it has already been paid. For this, I recommend allocating the funds for everything else that has not been bought yet. Thus, that brings recommended allocation amount down to \$392.99, which I recommend funding
  - *Funding type:* Services

- *Amount Requested:* \$448.99
- *Amount Allocated:* \$392.99
- *Rationale:* On campus, free for Illinois students. 10% non-Illinois attendees. - 90% funded
- *Administrative Adjustment:* \$156.99
- *Administrative Note:* As a services application, travel for a speaker and space for the speaker are not fundable. As a service application, it is not subject to Programs applications adjustments for attendance
- **App No. 31- Illinois Men's Rowing Club**
  - *Description:* Rowing equipment and storage
  - *Reviewer's Notes:* The last line item within the budget template is not fundable as it is for long term storage space of \$600
  - *Funding type:* Services
  - *Amount Requested:* \$4,935.00
  - *Amount Allocated:* \$4,335.00
  - *Rationale:* Long term storage space is not fundable by SORF Standards
- **App No. 44- Arpeggia**
  - *Description:* Sheet music, poster, markers, and instruments
  - *Reviewer's Notes:* The organization is requesting funding for instruments, booklets, and printed copies. Line items with trumpet does not accurately reflect supporting document. Allocated funding dropped down to \$529.99
  - *Funding type:* Services
  - *Amount Requested:* \$4,325.42
  - *Amount Allocated:* \$3985.40
  - *Rationale:* Line item 9, trumpet, does not match supporting documentation
- **App No. 5- UIUC Dheem**
  - *Description:* Travel to competition
  - *Reviewer's Notes:* The organization is looking to receive funding for travel costs for a competition. However, maximum allocation is \$5000 so reduce allocation to \$5000
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$5,000.00
  - *Rationale:* No supporting documentation for line items 1, 2, and 24. Discuss line items 15-20 (3D Printer)
- **App No. 81- Illini Women's Hockey Club**
  - *Description:* Rentals related to hosting a hockey game and uniforms
  - *Reviewer's Notes:* This organization is looking for funding for event space and jerseys that were said to also be used for games for their club team. Will need to receive confirmation from a third-party entity
  - *Funding type:* Services
  - *Amount Requested:* \$3,307.50
  - *Amount Allocated:* \$1,575.00
  - *Rationale:* Line item 1: Not required by third party. Line item 2: 4/10 are out of the funding period so fund 60% of the line item
- **App No. 34- Illinois Underwater Hockey**
  - *Description:* Fins, goggles, lodging, and registration fees for tournament
  - *Reviewer's Notes:* This organization is looking for funding required for the club's functioning as well as tournament fees
  - *Funding type:* Services

- *Amount Requested:* \$1,828.84
- *Amount Allocated:* \$957.71
- *Rationale:* No appropriate supporting docs for line items 3, tournament fee, or 4, snorkel purge valve.
- **App No. 27- Cosplay Design League**
  - *Description:* Travel and lodging for cosplay contest
  - *Event Description:* Cosplay Design League along with Japanese Animation Club, Character Creation Hub, IlliniFurs, and Illini Esports are putting together an Anime and Comic Convention at the Illini Union. Our club is responsible for hosting a Cosplay Contest during this convention. We would like to bring MaryMaryCosplay expertise and former judging experience to the contest. She was in the C2E2 (Chicago Comic & Entertainment Expo) Cosplay Central Championship and has judged Indiana Pop-Con and many other conventions. We believe her expertise be valuable for students and all contestants to learn from
  - *Reviewer's Notes:* The organization is looking to house a speaker and cover gas costs
  - *Funding type:* Programs
  - *Amount Requested:* \$599.44
  - *Amount Allocated:* \$479.55
  - *Rationale:* Free to Illinois students, on campus. 20% non-Illinois students - Fund at 80%
- **App No. 80- American Institute of Aeronautics and Astronautics**
  - *Description:* Parts for aircraft
  - *Reviewer's Notes:* All items are fundable except the last three-line items due to a lack of supporting documentation
  - *Funding type:* Services
  - *Amount Requested:* \$1,884.09
  - *Amount Allocated:* \$584.09
  - *Rationale:* Line items 8-10 do not have supporting documentation
  - *Administrative Adjustment:* \$0.00
  - *Administrative Rationale:* Projects must be submitted as Programs applications
- **App No. 49- Illinois Badminton Intercollegiate Sports Club**
  - *Description:* Badminton shuttle and court rental
  - *Reviewer's Notes:* All items are fundable
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$1,463.75
  - *Rationale:* Supporting documentation say 25 quantities for line item 1 so  $\$29.75 * 25 = 743.75$ . Line item 2 says 30 hours ( $30 * 17 = \$510$ ).
- **App No. 30- Linguistics Student Organization**
  - *Description:* Poster printing, travel, and lodging for conference
  - *Reviewer's Notes:* All items are being requested pertain to attending conferences in alignment with Linguistics
  - *Funding type:* Services
  - *Amount Requested:* \$3,341.40
  - *Amount Allocated:* \$1,358.40
  - *Rationale:* Line item 3 has inadequate supporting documentation
- **App No. 4-ACHA Men's Division II Hockey Club at the University of Illinois at Urbana-Champaign**
  - *Description:* Ice rental for games
  - *Reviewer's Notes:* All items being requested pertain to essential space reservations

- *Funding type:* Services
- *Amount Requested:* \$5,000.00
- *Amount Allocated:* \$5,000.00
- *Rationale:* 9 practices are not within the funding period.  $\$6587.50 - (9 * \$150) = \$5237$ . Fund \$5000 as max allocation
- **App No. 45- Indian Graduate Students Association**
  - *Description:* "Discover India is hosted to give a taste of India to the students and community of UIUC. This event consists of three parts:
  - 1. Cultural Exhibits illustrating the diverse Indian culture and traditions. In the past, we have had Indian musical instruments, Indian saree draping, Turban Tying, Architectural aspects specific to ""The Taj Mahal"", Rangoli, Henna, Indian spices, languages, and traditional welcome with kumkum, etc. We will have similar exhibits lined up for the coming year's edition too.
  - 2. A variety of Indian dance, music, and theater performances are presented by student groups from UIUC and from outside the University. This includes Indian classical music, classical dance, theater, and, Bollywood dance and music. The performers include kids from the local Indian community, undergraduates, graduate students, and faculty and staff from the university. We also have a fashion showcase of the traditional clothing of the various states of India.
  - 3. Bollywood DJ Night after the performances
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding. (10% non-Illinois attendees)
  - *Funding type:* Programs
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$4,500.00
  - *Rationale:* On campus, free to Illinois students. 10% not Illinois attendees - fund at 90%
- **App No. 25- Stiletto Queens**
  - *Description:* ARC multipurpose room rental for practices, high heels, and knee pads
  - *Reviewer's Notes:* Requested items qualify for essential equipment and recurring space rental
  - *Funding type:* Services
  - *Amount Requested:* \$ 4,055.40
  - *Amount Allocated:* \$3,281.40
  - *Rationale:* Line item 1: Twice a week practices from Nov 1 to end of semester would be 5 weeks so (5 weeks \* 2 practices) \*\$13 = \$130
- **App No. 54- Velocity Dance Team**
  - *Description:* Light, sound, staff rentals for a dance showcase
  - *Event Description:* We are a dance team and host a showcase at the end of every semester. This is to share the dances we as a group have choreographed and learned. The event is open and free to the student body, and based on previous year's attendance we expect at least 80% of the audience to be composed of students. We require a stage, sound tech, light tech, stage manager, cleaning, and additional staff. In order to properly display or message to the campus we also need a rehearsal night to ensure everything will run smoothly
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding. (20% non-Illinois attendees)
  - *Funding type:* Programs
  - *Amount Requested:* \$2,838.50
  - *Amount Allocated:* \$2,270.80

- *Rationale:* On campus, free to Illinois students. 20% not Illinois attendees - fund at 80%
- **App No. 77- Illini Thaakat Foundation**
  - *Description:* Latzer Hall rental
  - *Event Description:* Thaakat is a 501-3C organization, and all funds generated will be given to charity. This event is a Murder Mystery Dinner. We require funding for the space rental, the YMCA on campus. The YMCA accommodates all of the students who attend, and it is an interactive play. Therefore, the YMCA makes interacting with our audience easy and keeps them involved throughout the event. This event generates funds for the charity that we choose to donate to. In years past, the charity we picked supports our message of promoting charitable giving amongst students to help underprivileged communities
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 50% funding because it is a charitable event
  - *Funding type:* Programs
  - *Amount Requested:* \$350.00
  - *Amount Allocated:* \$175.00
  - *Rationale:* Charitable event, 50%
- **App No. 33- Iranian Heritage Foundation**
  - *Description:* Sound system rental, lighting rental, backline, and tech labor for showcase
  - *Event Description:* "Shab-e-Yalda, also known as the Winter Solstice Night, is a cherished Iranian tradition celebrated on the eve of the winter solstice. It marks the longest night of the year, symbolizing the triumph of light over darkness. People gather to share festive meals, recite poetry, and engage in joyful activities, including performing arts, fostering a sense of unity and warmth during the cold winter months.
  - We have planned a prestigious festival with invitations to top-performing artists at Illini Union. The event entails extensive logistics, including audio, lighting, backline, catering, performance, decoration, and various other necessities.
  - The application is intended to cover the very partial costs of audio, lighting, and backline rentals. The application covers less than %10 of the costs. Hence \$5000 is already adjusted.
  - [Note: The current application for \$5,000 accounts for less than 10% of the program cost. Given the SORF standards of 75% funding of the program cost, the number of non-Illinois attendees, and all other criteria, we would like to allocate our entire budget for this event only. Therefore, the application amount has been adjusted accordingly by itself.
  - The additional funding is still being determined by our philanthropy group.]"
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 75% funding. (RSO has already adjusted) (30% non-Illinois attendees)
  - *Funding type:* Programs
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$3,500.00
  - *Rationale:* On campus and charging Illinois students. 75% funded. 30% non-Illinois attendees
  - *Administrative Adjustment:* \$2,625
  - *Administrative Rationale:* Adjustments are made to the requested amount. Thus the 75% funded (student charged) and 70% funded (30% non-students) is applied to the \$5,000, not the "\$50,000" the program might cost.
- **App No. 9- Philippine Student Association**
  - *Description:* Lincoln Hall and Foellinger rental
  - *Event Description:* "Founded in 1992, the Filipino Americans Coming Together Conference, or FACT, has established itself as the premier student-led Filipino-interest conference in the Midwest. With an annual attendance of over 1,000 attendees from across the United States,

FACT has become a highly anticipated event. Held at the University of Illinois at Urbana-Champaign, this conference serves as a platform for youths to engage in workshops, discussions, panels, and speaker presentations.

- Our organization's mission is to foster and maintain relationships through the education and awareness of Filipino identity and culture, as well as to develop academic and leadership skills in order to positively impact the self and the community. The FACT conference is hosted to ensure that conference delegates leave with a sense of enhanced knowledge, stronger connections, and overall fulfillment. By providing a vibrant space for cultural appreciation, FACT aims to promote a deeper understanding and appreciation of Filipino heritage. Additionally, we recognize the importance of intersectionality and warmly welcome individuals from diverse backgrounds, not limited to those of Filipino descent.
- This year, our conference will consist of interactive workshop sessions, career panels with Filipino and Filipino-Americans from a variety of fields, a night market showcasing small businesses, and a variety show celebrating Filipino culture in the form of dance, music, and other performances."
- *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding. (25% non-Illinois attendees)
- *Funding type:* Programs
- *Amount Requested:* \$5,000.00
- *Amount Allocated:* \$3,750.00
- *Rationale:* On campus and free for Illinois students. 25% non-Illinois attendees
- **App No. 63- Rube Goldberg Society**
  - *Description:* Travel and craft supplies
  - *Reviewer's Notes:* Unfortunately, this application requests funding for items that have already been purchased, even though they are needed to succeed. Thus, I recommend only funding the gas needed for travel (\$234)
  - *Funding type:* Services
  - *Amount Requested:* \$445.32
  - *Amount Allocated:* \$0.00
  - *Rationale:* No supporting doc for line item 1, other items already purchased.
- **App No. 67- Men's Club Soccer**
  - *Description:* Dues, lodging, and uniforms
  - *Reviewer's Notes:* This application, using past estimates from hotel stays and the registration fees needed to attend competitions, is requesting funds for their team members. Except they have already paid for this year's uniforms, so we cannot fund that. Based on this, I recommend allocating \$4001
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$3,347.43
  - *Rationale:* Line item 4 is not within the funding period
- **App No. 168- The Illini Metagamers**
  - *Description:* Game pieces and markers
  - *Reviewer's Notes:* This application is requesting funding to improve membership, both for new members and between current members. They need funding to get more games that are played during their meetings. Because of that, these games are necessary for their RSO's operation and success. Thus, I recommend funding the full amount
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00

- *Amount Allocated:* \$1,380.89
  - *Rationale:* Zero fund line item 5: t-shirts
- **App No. 144- Illinois Track and Field Club**
  - *Description:* Armory space rental
  - *Reviewer's Notes:* This application is requesting funding for bi-weekly rental space that is needed for their RSO to operate. Because of this, I recommend allocating the full amount that they requested — \$3900
  - *Funding type:* Services
  - *Amount Requested:* \$3,900.00
  - *Amount Allocated:* \$3,200.00
  - *Rationale:* Line item 1: Some practice times are out of funding period. 4 hours a week \* 5 weeks (Nov 1-Dec 6) = 20 hours \* \$50 = \$1000
- **App No. 143- Illinois Spikeball Roundnet Club**
  - *Description:* Registration fee and travel to tournament
  - *Reviewer's Notes:* This RSO is requesting funding for travel to and from a competition, as well as money for registering. They did say that they need to register before 10/16, meaning that they have most likely registered already. For this, I would recommend allocating part of their requested amount for the gas, but not for the registration fees — \$150
  - *Funding type:* Services
  - *Amount Requested:* \$300.00
  - *Amount Allocated:* \$312.19
  - *Rationale:* On campus, free for Illinois students
- **App No. 145- Illini Electric Motorsports**
  - *Description:* Parts for car
  - *Reviewer's Notes:* Illini Electric Motorsports is requesting funding for parts needed to compete, travel fees for to and from, and registration. For all, except Northwestern, is not reimbursement, so I request allocating all their requested funds, except the Northwestern registration fees as it has already been paid for. This would be an allocation, according to their Budget Sheet, of \$4,456.50
  - *Funding type:* Services
  - *Amount Requested:* \$4,996.05
  - *Amount Allocated:* \$4,366.04
  - *Rationale:* Line item 17 is above 999.99
  - *Administrative Adjustment:* \$0.00
  - *Administrative Rationale:* Items for projects must be applied for under Programs.
- **App No. 124- Illini Cycling**
  - *Description:* Travel, lodging, and registration fees for races
  - *Reviewer's Notes:* Illini Cycling is requesting funding for travel to and for, registration fees, and lodging. This is all essential and needed for their RSO to succeed. But, because the registration date is before the November 1st date, we cannot give out funds for that registration, but I recommend doling out funds for their other essential needs, which totals, according to their Budget Sheet, to \$2,657
  - *Funding type:* Services
  - *Amount Requested:* \$2,847.00
  - *Amount Allocated:* \$1,970.00
  - *Rationale:* Line items 1, 2, and 3 are out of the funding period
- **App No. 89- Women's Ultimate Frisbee Team: Menace**
  - *Description:* Tournament fees, travel, lodging, and uniforms

- *Reviewer's Notes:* Women's Ultimate Frisbee Team: Menace is requesting funding to be able to travel to and from competitions, registration for competitions that are needed to be attended by their team, as well as needed uniforms. Because of this, I recommend allocating all of the requested funds — \$4990.30
- *Funding type:* Services
- *Amount Requested:* \$4,990.3
- *Amount Allocated:* \$2,682.30
- *Rationale:* Not essential for organization. Line item 4 is long term storage
- **App No. 103- Illini Books to Prisoners**
  - *Description:* Food, advertising, and speaker travel
  - *Event Description:* We are hosting a guest speaker from Illinois Prison Project, an organization dedicated toward accomplishing a more humane prison system for incarcerated people. The guest speaker will educate those who come about the high cost of Illinois' prison system, the broken sentencing laws and policies, and the many paths for criminal justice reform
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. However, the supporting documentation included "email correspondence prior to a contract being completed (i.e., negotiations or planning stages)," which is not accepted per the SORF Standards. As such, I recommend we fund the application, minus the cost of the speaker's estimated transportation (\$592.91 - \$200 = \$392.91)
  - *Funding type:* Programs
  - *Amount Requested:* \$592.91
  - *Amount Allocated:* \$330.00
  - *Rationale:* Line items 4,5,6 (food) are not tied to the mission of the event and were not funded in addition to transportation due to supporting documentation error.
- **App No. 123- Taiwanese American Students Club**
  - *Description:* YMCA space rental, Lincoln Hall rental, food, and consumable supplies for Lunar New Year event
  - *Event Description:* "Lunar New Year is the beginning of the calendar year based on the lunar or lunisolar calendar. Also known as the Spring Festival, Lunar New Year is celebrated annually in various countries in Asia as a time to honor households and ancestors as well as conduct religious ceremonies. This is also a time reserved for family celebrations, such as feasting, dancing, and making lanterns. Every February, the Taiwanese American Students Club (TASC) hosts its very own ""Lunar New Year"" event to provide a unique cultural experience to the Champaign-Urbana community. This is a night where students, faculty, and community members have the opportunity to experience and embrace this cultural phenomenon. This year, TASC is planning to host our annual ""Lunar New Year"" event in February 2024 at the YMCA and Lincoln Hall. For the event, we are expecting approximately 500 attendees to come to support by eating delicious Taiwanese foods and drinks, experiencing cultural activities and crafts, and enjoying a wide variety of performances."
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the program, budget, and supporting documentation all meet SORF Standards. I recommend we fund the application for the total amount of \$3,282.58
  - *Funding type:* Programs
  - *Amount Requested:* \$3,282.58
  - *Amount Allocated:* \$3,184.10

- *Rationale:* On campus, free for Illinois students. 3% non-Illinois attendees
- **App No. 148- Taiwanese American Students Club**
  - *Description:* Food and consumable supplies for Taste of Taiwan event
  - *Event Description:* Taste of Taiwan. Taste of Taiwan is a free event that is open to everyone in the University of Illinois Urbana-Champaign campus community. The goal of this event is to share the cuisines of Taiwan with the community. We will be teaching people about the cuisines we will be offering at the event and other Taiwanese cuisines. The delicious snacks will be prepared by us, and everyone can enjoy it while socializing and engaging in games and activities, such as card games and trivia
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the program, budget, and supporting documentation all meet SORF Standards. However, "the maximum possible allocation of total funding for any one Registered Student Organization (Student Organization) in a fiscal year is \$5,000," according to SORF Standards. RSO has requested a total of \$5,203.09. I recommend we fund the application for the partial amount of \$95.49 (\$298.58 - the amount over the allowed \$5,000, which is \$203.09 = \$95.49)
  - *Funding type:* Programs
  - *Amount Requested:* \$298.58
  - *Amount Allocated:* \$298.58
  - *Rationale:* Fund \$95.49 to stay within \$5000 limit
- **App No. 163- Hindu YUVA**
  - *Description:* Decorations for cultural celebration
  - *Event Description:* Diwali puja is a Hindu prayer where 200 people gather and celebrate the victory of good over evil. Diwali is celebrated by lighting lamps, making rangoli (a form of art), making sweets as offerings, and lighting firecrackers
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the request meets SORF Standards. However, not all documentation was uploaded (flower pricing was not included). I have reached out to the treasurer for supporting documentation and clarification. I recommend we do not fund the application until all documentation is submitted
  - *Funding type:* Programs
  - *Amount Requested:* \$274.46
  - *Amount Allocated:* \$174.46
  - *Rationale:* No supporting documentation for line item 2, flowers.
- **App No. 158- Raas Mania**
  - *Description:* Virginia Theatre rental, lodging, decorations, travel, and contractual services for dance competition
  - *Event Description:* Mania is a national collegiate Raas competition hosted at the University of Illinois Urbana-Champaign. This event brings together college and university teams from across the nation to showcase their talent, creativity, and passion for the traditional Gujarati folk dance, Raas. Raas is a vibrant and energetic dance form that originates from the state of Gujarat in India. Traditionally performed during the Navratri festival, Raas involves dancers using sticks called 'dandiya' to create rhythmic beats while they dance. The dance form is known for its colorful costumes, intricate footwork, and synchronized movements. Teams participating in Raas Mania undergo a rigorous selection process, ensuring that only the best get to compete on the main stage. The competition typically consists of multiple rounds, with teams being judged on various criteria such as choreography, synchronization, energy, costume, and overall presentation. A panel of experts, often comprising former Raas

dancers, choreographers, and individuals with a deep understanding of the dance form, evaluate the performances. Their feedback not only determines the winners but also helps teams improve and refine their skills. The points earned for winning the competition are then used to determine teams that will qualify for the larger National competition. Raas Mania is more than just a dance competition. It serves as a platform for cultural exchange, fostering understanding and appreciation for Indian traditions among a diverse audience. For many participants, it's an opportunity to connect with their roots while for others, it's a chance to learn about a new culture

- *Reviewer's Notes:* This application is requesting funding for an event that will be hosted off campus and free for students. They have requested 50% funding. I believe that the program, budget, and supporting documentation all meet SORF Standards. I recommend we fund the application for the full amount
- *Funding type:* Programs
- *Amount Requested:* \$5,000.00
- *Amount Allocated:* \$937.50
- *Rationale:* Off campus, free for students - 25% funded. 25% non-Illinois attendees
- **App No. 108- Institute of Industrial and Systems Engineers**
  - *Description:* Food for networking event
  - *Event Description:* The Six Sigma event/program is an event that this RSO hosts every fall for members of the organization. This is an event that takes place on the weekend from November 3-5 where an instructor from the National Institute of Industrial and Systems Engineers comes to campus to teach a course to our students. This course then results in a certification called the Six Sigma Green Belt, which is a professional and industry-recognized certification. This event will take place all day on Saturday and Sunday for students at the transportation building on campus. The certification exam costs money as it is being paid to the National IISE organization's instructors
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus but is not free for students. I believe that the program, budget, and supporting documentation all meet SORF Standards, but should be 75% funded according to SORF Standards. The amount requested (\$1,310.06) does not match the amount in the budget sheet (\$681.03). I recommend we fund the application for 75% of the amount in the budget sheet, which would be \$510.77
  - *Funding type:* Programs
  - *Amount Requested:* \$1,310.06
  - *Amount Allocated:* \$982.95
  - *Rationale:* On campus, charging Illinois students - 75% funded
  - *Administrative Adjustment:* \$0.00
  - *Administrative Note:* Food is not essential to the success of the program.
- **App No. 147- Illinois Robotics in Space**
  - *Description:* Computer parts and travel for competition
  - *Reviewer's Notes:* Org is asking for robot building parts and funding for travel to robotics competition. There were differences in the costs of items on the budget request and the supporting documentation. I suggest that SORF fund \$985.76 since the aluminum did not have proper supporting documentation, the multimeter's price was inaccurate, and there was no cost breakdown for the BNB
  - *Funding type:* Services
  - *Amount Requested:* \$4,775.85
  - *Amount Allocated:* \$2,252.74

- *Rationale:* Line item 6 does not have proper supporting docs. Line item 8 is above the 999.99 max
- App No. 155- **Sigma Psi Zeta Sorority, Inc.**
  - *Description:* Registration fee and travel to sorority event
  - *Reviewer's Notes:* Organization is requesting funding for mandatory annual sorority event. They are seeking to cover their registration and gas expenses
  - *Funding type:* Services
  - *Amount Requested:* \$1,127.85
  - *Amount Allocated:* \$337.50
  - *Rationale:* Line item 1 is out of the funding period
  - *Administrative Adjustment:* \$0.00
  - *Administrative Note:* Student Org mission indicates promoting awareness of Asian/Asian American cultures as its purpose. Thus, traveling to a member only conference is not fundable.
- App No. 136- **Historical European Martial Arts Urbana/Champaign**
  - *Description:* Protective gear and event attendance fees
  - *Reviewer's Notes:* Organization is requesting funding for medieval weapons, protective gear, and registration fee for event. These are all expenses critical for the operation of the historical European martial arts club. They requested \$5,000 but their budget request only lists \$4,995. I suggest they only be funded the \$4,995.00
  - *Funding type:* Services
  - *Amount Requested:* \$4,995.00
  - *Amount Allocated:* \$3,225.00
  - *Rationale:* Line item 6 is registration fee for a non-program/event which is non-fundable
- App No. 179- **The Xtension Chords A Cappella**
  - *Description:* Sound rental, advertising, Gregory Hall space rental, staffing fees, and lighting fees
  - *Event Description:* This is our annual winter concert that we will be holding at Gregory Hall on November 10th, 2023, from. It is a themed event called XFest. This concert will last about 1-1.5 hours long and is free for University of Illinois students. We usually perform about 10 songs that are a variety of different styles and genres. This is done using a rented Microphone/Sound System. We have an MC for the show that is usually an alumni from the previous year. We expect a crowd of around 100-200 people
  - *Reviewer's Notes:* Org is requesting programs funding for free on campus event. Most of the expenses seem essential for hosting an acapella concert, however, no example advertisements were provided. Therefore, that \$30 item should not be funded this leaves the total at \$1,190.50
  - *Funding type:* Programs
  - *Amount Requested:* \$1,220.50
  - *Amount Allocated:* \$773.83
  - *Rationale:* Line item 2 does not provide an advertisement example. 35% non-Illinois attendees
- App No. 98- **Illini Innovated + Imagined**
  - *Description:* Website domain, magazine copies, and square space
  - *Reviewer's Notes:* The organization is requesting money for a website and magazine paper. This is essential for the operation of Illini Innovated + Imagined.
  - *Funding type:* Services
  - *Amount Requested:* \$688.00

- *Amount Allocated:* \$400.00
- *Rationale:* Line items 1 and 3 have free alternatives
- **App No. 60- MedLaunch**
  - *Description:* Medical supplies and database storage
  - *Reviewer's Notes:* Items are essential for the organization
  - *Funding type:* Services
  - *Amount Requested:* \$4,000.27
  - *Amount Allocated:* \$3,620.98
  - *Rationale:* Line items 1 and 2 can be found for free (U of I Box)
- **App No. 23- Illinois Men's Lacrosse**
  - *Description:* Helmets, gloves, travel, lodging, and uniforms
  - *Reviewer's Notes:* Items are essential for their organization
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$5,000.00

- **App No. 73- Open-Source at Illinois**
  - *Description:* CIF room rental, advertising, and software
  - *Event Description:* "The program is called Open-Source at Illinois Technical Workshops.
  - As outlined in our Club's constitution and documentation - one of our goals is to organize technical workshops to provide technical skills to the student community at UIUC. This year, we plan on holding a series of weekly workshops to work on 4 different areas - an AI Chatbot, Campus-wide infrastructure, electronic development, and Web development. These are scheduled for the entire semester and may extend over to the next depending on the level of interest we get.
  - We will be organizing workshops on tools and skills such as Github, Web APIs, Node.JS, SystemVerilog/HDLs, and other technical events to prepare participants to work on real-life FOSS projects of their own. For certain types of workshops - such as infrastructure and electronics, we need to purchase hardware to make sure we can teach people how to use them. For the same reasons - we plan to purchase a few development boards, used PC parts, and API services.
  - These workshops are completely open to the entire student community at UIUC and are NOT exclusive to members. Open-Source at Illinois rigorously documents every meeting and makes sure meeting notes and source code are available online - so anyone can participate and contribute to them. Anyone at UIUC can view, maintain, and contribute to projects/workshops via <https://github.com/open-source-at-illinois>. We have no application process, and anyone can join our discord and get involved.
  - We plan on using a combination of our Instagram (1000 followers), newsletter (600 subscriptions), discord (900 members), and on-campus advertising (campus rec and housing) to advertise these workshops/projects. "

- *Reviewer's Notes:* Program funding which allows for all UIUC students to participate, over 2K are subscribed to their social medias combined
- *Funding type:* Programs

  - *Description:* Patrol officer fee, multimedia services fee, Lincoln Hall Theater rental, and speaker contract for panel event
  - *Event Description:* Young Americans for Freedom is looking to host a high-profile speaker to campus next semester
  - *Reviewer's Notes:* This application is requesting funding for a panel of speakers to come to campus. The event is free and on-campus. Documentation is only provided for 2-line items (\$1,159.00) of 4 (\$4,999.00). The treasurer indicated that national YAF rules prevent confirming/contacting a speaker until the local chapter confirms that they have a down payment. Due to this restriction, the org has not contacted any of the listed speakers to determine a quote, nor done their due diligence (particularly providing supporting documentation) in estimating other costs to host the program. As the event is not planned until April 2024, it may be in their best interests to request funding at a later date with more comprehensive cost estimates

  - *Description:* Contractual services for dance instructor and band, travel for instructor and band
  - *Event Description:* The event that we are planning to host is a Swing Dance workshop with approximately 8 hours of in-depth classes for students and community members. There will

also be three social dances. We will be bringing multiple out-of-town and internationally renowned instructors as well as popular modern-day swing bands. This will be free for UIUC students, and it will be in the Illini Union

- *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding. (50% non-Illinois students) (prices are inflated from supporting docs) (Application states instructor is not determined but provides supporting doc for one specific instructor)
- *Funding type:* Programs

- **App No. 37- South Asian Law Student Association**
  - *Description:* Food and decorations for celebration of different cultures at the law school
  - *Event Description:* We are providing South Asian food to the College of Law community in the College of Law building as well as lighting sparklers as a cumulative celebration of the various faiths and holidays observed by South Asians, including Diwali. The holidays celebrate good prevailing over evil, so this is an introduction to South Asian culture in the legal field. We will be catering food from South Asian restaurants in Champaign-Urbana. The food will be served by board members of the South Asian Law Students Association by our board members to the College of Law community free of charge to everyone. There will be free games available to the community
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding. However, some of the items don't seem to align with the mission statement.

  - *Amount Allocated:* \$0.00
  - *Vote:* Faraz Khan motions to deny application. Troy Kowalski seconds. Vote of 11-0-0
- **App No. 28- Girls Next Door**
  - *Description:* Lincoln Hall rental, sound rentals, and videographer for concert
  - *Event Description:* Our semi-annual concerts are held at a performance venue on campus (Lincoln Hall Theater) and are a way for our organization to showcase the setlist we have curated, arranged, and mastered that semester. These concerts are held every Winter and Spring, with the exact date of the concert being set at the beginning of each semester, once reservation requests are processed. Thus, our 2023 Winter Show is set to be November 30, however, the exact date of our Spring Show is not yet determined, so the program date listed below is approximate (though it will very likely take place on a weekend night in April).

Due to the fact that many of the venue spaces we book (such as Gregory Hall) are not equipped with lighting and sound systems, our organization is also tasked with purchasing spotlights, microphones, and speakers from outside sources, such as other performance groups. Therefore, for many years, we have unfortunately been losing a great deal of money on our shows (see screenshot below for detailed expense report), since the price of venue spaces and all performance equipment adds up quickly. Thus, receiving SORF funding to cover the costs of concert spaces and program-related equipment including microphones, speakers, and lights would ensure that we could continue to put on high-quality productions and remain in good financial standing

- *Reviewer's Notes:* Concerns with RSO renting from another RSO and also hiring an Illinois student for services
- *Funding type:* Programs
- *Amount Requested:* \$1,233.25
- *Amount Allocated:* \$863.28
- *Rationale:* Line Items 2 and 3, rentals from other RSOs, were denied funding due to violating SORF Standards (Prohibited Requests 8)

- **App No. 109- UIUC Udaan**
  - *Description:* Transportation, lodging, water bottles, and dinner for dance competition
  - *Event Description:* Udaan (meaning flight in Hindi) is the University of Illinois' premier Bollywood Fusion Dance competition. Collegiate dance teams from all over the nation come together on UIUC's campus not only to compete for a title, but also to spread awareness of South Asian culture. Promoting South Asian culture through wonderful storylines and a shared passion for dance is truly what Udaan is all about. We host 8 traveling dance teams from around the nation, in which each team is made up of around 30 people. With that, we plan a weekend full of events set up for our 300+ students from UIUC and other Universities to come and enjoy the weekend and honor our campus in the best way possible. Udaan creates a celebration for South Asian music, dance, and culture throughout the UIUC campus. Udaan's unique audience includes students in and outside of the UIUC campus, nationwide members from the Desi Dance Network, and performers and audience members of Udaan itself, summing to outreach to approximately 12,000 people. Our event is open and free to the general public, specifically catered towards UIUC students, and is marketed on multiple social media platforms, months prior to the event.
  - *Team/Judges Application process:*

- Prior to hosting our 8 competing teams, we have an extensive application process. This past year we had 70+ teams apply with their audition video, and we had a 2 day long viewing of these videos, in which a board of 15 of our members watched and judged, until we had our final 8 teams selected. The process is quite competitive, due to the limited number of spots available and the increasing amounts of talent and creativity we see every year.
- These 8 competitive teams are then judged at our competition by 5-6 extremely qualified judges from various dance backgrounds. We reach out to well known dancers, and dance teams to gauge interest in judging, and we then select from a pool of applicants. We try to balance the panel by having judges with different dance backgrounds, experiences, and expertise to be able to provide the competing teams with a broad range of judges in the panel so that all their ideas, choreography, and creativity is equally and correctly judged to ensure a fair competition.
- Competition Weekend:
- Every team is given 3 liaisons - which are all University of Illinois Urbana Champaign students. These individuals relay information about our competitions times and events and guide the performers around our campus. Udaan hosts two major events. The first event, "The Mixer" is held the night before the competition. At the mixer, there is dinner served to the dancers, games set up, and a grand welcoming to our campus. The purpose of this mixer is to have all the dancers be able to meet the rest of the teams invited to the competition, and play games in which we determine the show order for the competition the next day. The following day, teams wake up bright and early to come to our show's tech rehearsal time. From there, we provide breakfast, lunch, and tons of water for these individuals to make sure they are well-nourished throughout the exhilarating weekend. After tech time, teams get ready at their hotels until its show time. During show time, we have each team perform their 10-minute long dance sets. We have a photographer set up a livestream for the thousands of people involved in the dance circuit to log in and watch, a DJ to run the music, and exhibition acts to showcase University of Illinois' talent. The judge's carefully deliberate and speak to our national managers to finalize their scoring rubric and prepare to announce the placements of the competition. Once the show is over, we allow our teams to celebrate themselves and their performance by exploring our campus! The following day, the team members fly back/depart Champaign and go back to their University's with the best image of UIUC
- *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. However, the fees for entry may fall under the "Service" category, not "Program." I recommend funding this event if this is acceptable to the SORF Board

  - *Event Description:* We will be holding a movie night in collaboration with The Society of Minority Students in History for all members of the History department (and any other interested parties) focused on a movie surrounding Native American history and issues. We want to provide some food and snacks for those attending as well as the actual movie itself
  - *Reviewer's Notes:* Looking to supply food for event although food typically not necessary for event to take place will aid in the taking place of a movie night, follows SORF standards otherwise
  - *Funding type:* Programs
  - *Amount Requested:* \$60.31
  - *Amount Allocated:* \$0.00
  - *Vote:* Anika Chakraborti motions to deny application. Matthew Pruyn seconds. Vote of 11-0-0
- **App No. 17- Phi Alpha Theta**
  - *Description:* Food for cultural potluck event
  - *Event Description:* Our organization wanted to organize a cultural potluck in collaboration with The Society of Minority Students in History. We believe that a greater mutual awareness of each other's histories and cultures would truly be beneficial for all those involved. Most of the food will be provided by participants as part of the cultural part of the event, but we also want to provide some communal food and snacks for everyone
  - *Reviewer's Notes:* Application is in interest of students and an on-campus event, by SORF standards looks like we can fund it
  - *Funding type:* Programs

- *Amount Requested:* \$54.02
- *Amount Allocated:* \$0.00

- **App No. 87- Illinois Track and Field Club**
  - *Description:* The event that we are requesting funding for is repeating Armory Access this fall, winter, and spring(2023-2024). The team will rent out the armory from 10pm-12am every Tuesday and Thursday from October 3rd to December 5th, excluding fall break (November 21st and 23rd), and from January 16th to April 4th, excluding spring break (March 12th and 14th). During these times, multiple event groups will practice utilizing the indoor track. This space request is being coordinated between the team and Matt Kumler, the Armory event coordinator. A contract has already been written between the Illinois Track and Field Club and the division of intercollegiate athletics to utilize this space. The cost of this space is 50 dollars per hour, or 100 dollars per sessions, and there will be 17 days the team will be there in the first semester, and 22 times in the spring semester. This is a total of 39 practices for a price of 3900 dollars. NOTE: The contract has been written for the first semester only, but the same rate will be charged for the second semester contract, as shown in supporting documentation
  - *Reviewer's Notes:* Mandatory for RSO activity and in interest of Illinois community, follows SORF funding standards
  - *Funding type:* Programs
  - *Amount Requested:* \$3,900.00
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyn motions to deny application due to be applied for as a Programs application but needing to be a Services Application. Anika Chakraborti seconds. Vote of 11-0-0.
- **App No. 85- Bangladeshi Students Association**
  - *Description:* "The recurring event 'Bangladeshi Game Night' is intended to create a scope of playing different board games like Bingo, Mafia, Uno etc. with a modification for Bangladeshi version. The choice of words or roles in the games will be in the socio-economic context of Bangladesh. It will help the community members to get involved in a different culture of enjoyment as well as extending Bangladeshi culture in an international setting. It will provide an opportunity to familiarize the participants with fun games as well its evolution assisted by Bangladeshi language and cultural. We plan to hold a series of two events: one on 11/24/2023 and the other at the end of the fall semester 12/22/2023. The expected venue for the event is Orchard Downs Community Center. We are expecting 100 participants at each event. Our target is to publicize the program through social media, flyers, and posters so that more students join the program and know the culture of Bangladesh. The program will be free and open to all students of UIUC
  - *Reviewer's Notes:* In interest of the RSO community and no cost to Illinois students/cultural community. No cost to Illinois students and follows SORF standards
  - *Funding type:* Programs
  - *Amount Requested:* \$1,200.00
  - *Amount Allocated:* \$0.00

- **App No. 157- Brain Matters**
  - *Description:* The recurring programs in Brain Matters consist of workshops and journal clubs, which are available for free to all Illinois students and occur on campus. The workshops are events that are held to teach and advise students on how to write and edit scientific writing, as well as create designs for scientific publications. Journal clubs are events that review and discuss various scientific articles that are related to neuroscience and other science topics, fostering a scientific community on campus. Our student organization would need help getting funded for food and snacks to promote these events and attendance.
  - *Reviewer's Notes:* Print outs for the main purpose of their organization
  - *Funding type:* Programs
  - *Amount Requested:* \$197.71
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyn motions to deny application as snacks are unrelated to the purpose of the RSO. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 83- Brain Matters**
  - *Description:* This journal is an essential equipment item that is necessary for the success and operations of Brain Matters, as the primary focus of our organization is to publish and print this journal. Being able to print this journal will allow us to distribute the printed version to libraries on campus to reach a wider audience and further foster our scientific community on campus
  - *Reviewer's Notes:* Free for all UIUC students and provides food for the attendees which pertain to mission statement
  - *Funding type:* Services

  - *Vote:* Matthew Pruyn motions to deny application as items have already been purchased. Troy Kowalski seconds. Vote of 11-0-0
- **App No. 96- Rho Epsilon, Student Real Estate Association**
  - *Description:* Limo rental for networking event
  - *Reviewer's Notes:* This is essential for the organization's mission statement in helping members be recruited by Chicago based Real Estate firms.
  - *Funding type:* Services
  - *Amount Requested:* \$1,494.00
  - *Amount Allocated:* \$1,494.00

- *Vote:* Troy Kowalski motions to fund application at standard. Anika Chakraborti seconds. Vote of 11-0-0
- *Administrative Adjustment:* \$0.00
- *Administrative Rationale:* Limo is not an essential form of travel to get to and from campus.
- **App No. 69- Bar None**
  - *Description:* The program is meant to raise money for Books2Prisoners. The program is meant to educate students about Books2Prisoners and current incarceration practices as it relates to books. Books2Prisoners is an Urbana based non-profit that helps incarcerated individuals access books they want. The event will be tabled in the College of Law pavilion. We will be selling donuts and coffee to raise funds, while having educational materials
  - *Reviewer's Notes:* Follows SORF standards however amount requested and what it is being sold for not detailed, since charitable event cannot fund the total of what is being asked
  - *Funding type:* Programs
  - *Amount Requested:* \$172.03
  - *Amount Allocated:* \$86.02
  - *Vote:* Arianna Agramonte Holterman motions to fund application as amended. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 97- Phi Iota Alpha Fraternity Incorporated**
  - *Description:* Storage rental, paddles, tabling tent, tablecloth, and Gregory Hall rental
  - *Reviewer's Notes:* This organization has requested money for items which are not covered by the SORF standards. These include the following: Storage unit, Paddles (traditional but no proof that these are required by a national chapter, and the cloth used for tables. However, the following items can be funded by SORF: Tent for fundraising events and room used for new member presentation
  - *Funding type:* Services
  - *Amount Requested:* \$937.00
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyne motions to deny application as paddles, a tent, and a personalized table cloth are not necessary for the purpose of the RSO. Line item 1, storage facilities, are not funded according to SORF standards. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 111- Health of the Homeless**
  - *Description:* Food, medical supplies, and hygiene supplies
  - *Reviewer's Notes:* Supports organizations mission. However, the request for hydrogen peroxide was inflated by \$90 of what is being requested. I have adjusted the amount to \$3,836.50
  - *Funding type:* Services
  - *Amount Requested:* \$3,900.00
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyne motions to deny application due to poor supporting documentation. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 40- Global Medical Training (GMT)**
  - *Description:* Scrubs and stethoscopes
  - *Reviewer's Notes:* This organization is requesting uniforms for their trips; however, we would need proof of necessity from a third party-entity. Will follow up to confirm necessity, but if no proper documentation is provided the line item will be denied. Proper documentation was provided upon request.
  - *Funding type:* Services
  - *Amount Requested:* \$3,297.00

- *Amount Allocated:* \$3,297.00
  - *Vote:* Troy Kowalski motions to fund application at standard. Anika Chakraborti seconds. Vote 11-0-0
- **App No. 46- Illini Wushu**
  - *Description:* Shirts are necessary for competitions and performances. On the front and the back is our club's logo and the UIUC logo is on the shoulder. We would need 10 small, 10 medium, 10 large, and 5 XL shirts
  - *Reviewer's Notes:* The organization is looking to receive funding for uniforms for competitions
  - *Funding type:* Services
  - *Amount Requested:* \$722.05
  - *Amount Allocated:* \$722.05
  - *Vote:* Anika Chakraborti motions to fund application at standard. Troy Kowalski seconds. Vote of 11-0-0
- **App No. 55- Velocity Dance Team**
  - *Description:* ARC multipurpose room rental for dance practices
  - *Reviewer's Notes:* 5 weeks left in the semester and 2 hours practice = 10.  $10 * \$14 = \$140 * 2$  rooms (line items 1 and 2) = \$280.
  - *Funding type:* Services
  - *Amount Requested:* \$672.00
  - *Amount Allocated:* \$280.00
  - *Vote:* Faraz Khan motions to fund application as amended. Anika Chakraborti seconds. Vote of 10-0-0.
- **App No. 142- Illinois Club Baseball**
  - *Description:* Travel and lodging, field rentals, and umpire fees
  - *Reviewer's Notes:* This application is requesting funds for hiring umpires and field rental to operate their club — i.e., play baseball. Except that they have already bought the hotel rooms, so I recommend not funding that part — \$1,272. But other things that have not been paid for (field rental, umpire payment, etc.), I recommend funding. Based on this, I recommend allocation \$3728
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$0.00
  - *Vote:* David Bein motions to deny application. Line item 1 is not in the funding period. Line items 2 and 3 have text messages as supporting docs. Line item 4 does not seem essential for the RSO. Matthew Pruyin seconds. Vote of 11-0-0
- **App No. 171- Dance2XS UIUC**
  - *Description:* Travel, uniforms, and registration fees for dance competition
  - *Reviewer's Notes:* This application is requesting funding for gas for a competition in Michigan and Chicago and needs uniforms and registration fees. Because of this, I recommend all of their requested funding be accepted — \$4,874
  - *Funding type:* Services
  - *Amount Requested:* \$4,874.00
  - *Amount Allocated:* \$3,332.00
  - *Vote:* David Bein motions to zero-fund line item 3, Uniforms, due to not being required by a third party entity and fund as amended rest of application. Anika Chakraborti seconds. Vote of 10-0-1
- **App No. 139- Lambda Theta Alpha Latin Sorority, Inc.**

- *Description:* Pumpkins and craft supplies for a pumpkin painting night
- *Reviewer's Notes:* This RSO is requesting funding items needed for a fundraiser. Yet they are asking for funds for storage of items, something that is not fundable. For this, I recommend only allocating \$929.39 — the amount without the long-term storage rental included
- *Funding type:* Services
- *Amount Requested:* \$1,886.39
- *Amount Allocated:* \$0.00
- *Vote:* Matthew Pruyn motions to deny application as pumpkin painting items are not related to the purpose of the RSO and line item 4, long term storage, is not fundable according to SORF standards. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 146- Design Movement**
  - *Description:* PPE and parts for an aircraft
  - *Event Description:* This weekly event is the group's meeting, with a deep discussion on faith, spirituality, and living on campus. This request is to help provide food for the club members
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the request meets SORF Standards. However, not all documentation was uploaded (only received screenshot of some cutlery prices, but not other prices written in the budget, or food prices as listed in the event description). I have reached out to the treasurer for supporting documentation and clarification. I recommend we do not fund the application until all documentation is submitted
  - *Funding type:* Programs
  - *Amount Requested:* \$15.00
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyn motions to deny application. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 105- Biomedical Engineering Society**
  - *Description:* To celebrate the beginning of fall and the harvest, we will host a fall banquet in the beautiful CIF. We plan to have fall-themed music playing with cute harvest-themed decorations on each table while eating yummy food. For entertainment, we will have creative fall-themed trivia and harvest coloring pages. We will have a fun, lighthearted event to promote the Biomedical Engineering Society's presence on campus and welcome students of all backgrounds to our celebration before the end of the year
  - *Reviewer's Notes:* This application is requesting funding for an event that will be hosted on campus and free for students. I believe that the request meets SORF Standards, outside of the water bottle, which I believe would classify as a "giveaway" or "gift." I recommend that we fund the application, minus the cost of the water bottles (\$289.98), for a total of \$1,117.41
  - *Funding type:* Programs
  - *Amount Requested:* \$1,407.39
  - *Amount Allocated:* \$834.86
  - *Vote:* Ariana motions to zero-fund line items 4(speaker), 5(tablecloth), 10(BMES Banner), and 11(Water bottles) and fund rest of application at standard. Kate Suchodolski seconds. Vote of 11-0-0.
- **App No. 10- Asian Law Students Association**
  - *Description:* Name tags, banner, plyers, sharpies, and gas to alumni reception
  - *Reviewer's Notes:* Org is requesting funding for materials to be used for an alumni reception to be held in Chicago. The receipts suggest that many of these purchases have already been

made. Additionally, I do not believe that this qualifies for services funding since alumni receptions are not a critical aspect of being an Asian law student

- *Funding type:* Services
- *Amount Requested:* \$3,488.29
- *Amount Allocated:* \$3,375.00
- *Vote:* Anika Chakraborti motions to zero-fund all line items except line item 7 (Gas) for being Program items, not Services items. Troy Kowalski seconds. Vote of 8-1-2
- **App No. 134- Arab Student Association**
  - *Description:* Dance and DJ team, food
  - *Reviewer's Notes:* Org is asking for funding to bring Arabic dance team, DJ, and food to event. This seems to fit the purpose of this cultural organization; however, the dance team/DJ exceeds the \$999.99 limit for a single item. I suggest that the organization's food be funded for a total of \$2,900
  - *Funding type:* Services
  - *Amount Requested:* \$5,000.00
  - *Amount Allocated:* \$0.00
  - *Vote:* Matthew Pruyn motions to deny application as it should have been a Program. Arianna Agramonte Holterman seconds. Vote of 11-0-0
- **App No. 173- Chinese Language and International Development Society**
  - *Description:* Costumes and props for dance routine, purchasing due to inability to rent. The organization plans to tailor the items to allow them to be used for years to come.
  - *Reviewer's Notes:* Cultural org is asking for money to fund costumes to be used in traditional dance routine. All items have proper supporting documentation except for the Boys CPop Hanfu. I recommend funding everything except the Boys CPop Hanfu. Total: \$1006,37
  - *Funding type:* Services
  - *Amount Requested:* \$1,201.76
  - *Amount Allocated:* \$1,201.76
  - *Vote:* Matthew Pruyn motions to fund application at standard. Stephanie Cardoza-Cruz seconds. Vote of 11-0-0
- **App No. 132- Material Advantage**
  - *Description:* Conference registrations and travel
  - *Reviewer's Notes:* Org is requesting funding for travel to material science conference for 4 people. This conference seems like an important part of the organization's culture. *Funding type:* Services
  - *Amount Requested:* \$1,921.23
  - *Amount Allocated:* \$1,921.23
  - *Vote:* Mattew Pruyn motions to fund application at standard. Anika Chakraborti seconds. Vote 11-0-0
- **App No. 112- Illini Solar Car**
  - *Description:* Car parts
  - *Reviewer's Notes:* Some equipment is not essential for their organization's success. Example: the Adjustable Panel Truck which cost \$515
  - *Funding type:* Services
  - *Amount Requested:* \$4,953.91
  - *Amount Allocated:* \$0.00
  - *Vote:* David Bein motions to deny application based on RSO's large fund balance. Troy Kowalski seconds. Vote of 11-0-0
- **App No. 130- Balloon Design at Illinois**

- *Description:* Balloons and a suitcase for transport
- *Reviewer's Notes:* This organization is requesting \$2,500, which I do not believe overrepresents their needs. On the estimated budget form, they have items adding up to \$2060.48 which is well under the \$2,500 requested. Additionally, they request a suitcase to carry all their items. I deem this suitcase a luxury good for its purpose and practical plastic boxes will have the same effect for a much lower price. The suitcase is listed as \$180. After adjustment, I believe they shall be granted a total of \$1880.48
- *Funding type:* Services
- *Amount Requested:* \$2,500.00
- *Amount Allocated:* \$2,060.48
- *Vote:* David Bein motions to fund at listed budget sheet amount. Anika Chakraborti seconds. Vote of 11-0-0
- **App No. 167- Muslim Students Association**
  - *Description:* Mom's and Dad's Day is an important event for the UIUC MSA, usually hosted at Activities and Recreation Center Multi-Purpose Room 6. It is a time we take to acknowledge and give back to the parents whose students choose to participate in MSA events. We provide them with lunch as well as information and updates about what we have been doing throughout the school year. This is our way to give back to the parents and invite them to support us in our efforts and initiatives
  - *Reviewer's Notes:* Event is in line with the RSO's mission statement and meets criteria for 100% funding for specific line items. (65% non-Illinois attendees which has already been adjusted by RSO) (Food and food supplies is questionable)
  - *Funding type:* Programs
  - *Amount Requested:* \$1,500.00
  - *Amount Allocated:* \$1,231.94
  - *Vote:* Matthew Pruyn motions to fund application as amended. Anika Chakraborti seconds. Vote of 10-0-0
  - *Administrative Adjustment:* \$0.00
  - *Administrative Rationale:* A program aimed at thanking parents of members is not intended to share the mission or purpose of the organization with the Illinois Campus Community.

- App No. 176- **Taiwanese Student Association**
  - *Description*: Website domain
  - *Event Description*: Taiwanese Student Association is requesting funding for our website domain's fee under the "Contractual Services" category in program funding. Despite the absence of formal contracts with students or government-related agencies to provide assistance to incoming international students, we volunteer to offer these services. We really dedicated considerable time and effort to the creation of this website. Backing our initiative will be a significant investment in the success and prosperity of related communities in UIUC students, so we kindly request your funding to continue our mission in the next fiscal year(starting 2024 May to 2025 May)
  - *Reviewer's Notes*: This programs application is requesting funding to cover website domain costs. As this would fall under services funding, I recommend we deny the application

- **App No. 120- Habitat for Humanity**
  - *Description:* Registration fees and travel to conference
  - *Event Description:* In previous years, our campus chapter of Habitat for Humanity has organized Collegiate Challenge service trips. These trips are meant to be a low-cost, rewarding experience for student volunteers. During the trip, students will travel to North Carolina to assist in the construction of Habitat Homes in an effort to fulfill our mission of ending homelessness and substandard housing. Because of previous support from SORF, we have been able to minimize the programs and affiliate fee expenses for the students. The winter break trip will begin on January 7th, 2024 and end on January 14th, 2024

- **App No. 137- She's The First**
  - *Description:* Food and consumable supplies for unplanned events
  - *Event Description:* Funding for our socials and fundraisers to raise the money needed for our charitable cause. Funds are important for people to spend money on our fundraisers and get encouraged to join. We are hoping to having funding for snacks that we can bring to our General Body Meetings as an incentive to get more engagement with our organization. Our fundraisers and socials are being planned as we go, so we don't have detailed plans as of now
  - *Reviewer's Notes:* This application is requesting funding for unspecified items with the goal of bringing in more funding. The treasurer indicated that the RSO is "planning as [they] go" for how the requested funding will be used. Due to the lack of clarity in budget and supporting documentation, I recommend we deny the application

- **App No. 181- The Xtension Chords Acappella**
  - *Description:* Foellinger rental for acapella for concert
  - *Event Description:* This is a yearly concert held in October for Halloween called Acatoberfest. It features all 8 premier a cappella groups on campus in a 2–3-hours long concert. All groups perform 3 songs and we rent out Foellinger auditorium for the concert
  - *Reviewer's Notes:* Organization is seeking funding to rent Foellinger Auditorium for their acapella event. The event is on campus; however, they do not stipulate that it will be free. The supporting documentation does not match the amount requested. If it is a 2–3-hour event the combined 8 organizations would expect to pay \$300 - \$450 total. They specified that the rental cost is divided by 8 which does not equal the requested \$200.

- **App No. 113- Asian American Association**
  - *Description:* Foellinger rental, ARC multipurpose room rental, and props for fashion show

- *Event Description:* "The Asian American Association Fashion Show is an annual dance showcase held at Foellinger Auditorium. The showcase is AAA's largest annual event, dedicated to empowering Asian American identity through various creative mediums. We invite both AAA and non-AAA members to perform together, opening opportunities to dancers of all experiences and backgrounds. As dancers, members can join three different dance-style groups: Throwback, Cultural, and Night Life. Each group features Asian music artists around lyrical and pop, traditional, hip-hop and R&B genres. Our traditional dance group will perform dances from all over Asia. This year, we will be diving into traditional Chinese, Polynesian, and Korean dances. To give our audience authentic traditional performances, our props will include Chinese bamboo and fan and Polynesian glow-sticks. All of our traditional performances will also include outfits respective to its culture and worn by our dancers. Therefore, our props such as the glowsticks, ultras, and PVC pipes will be used for our Polynesian glow-sticks performance. Also known as Poi, it is a performance art that originated from the Maori people and is known for swinging tethered weights in order to create geometric shapes. We will be able to create such shapes through the attachment of glow-sticks and ultras to strings and PVC pipes. Our long fan, Chinese outfit (Hanfu), and Chinese bamboo will be used for our Chinese dance. Water Sleeves are commonly worn underneath Hanfu or other traditional Chinese styled clothing. The Hanfu chosen pairs nicely with the purple-white ombre color, as well as the contemporary, playful choice of song. Instead of the staple grandiose, majestic style, this Hanfu is more lightweight and flowy, matching the needs of this particular choreography with more room for floor and leg work. Although the main character of this style of dance is the water sleeves, having an attractive Hanfu also serves the purpose of being aesthetically pleasing. As for our Korean outfit (Hanbok), it will be used to perform our traditional Korean dance with a modern music blend as well. The dance is a remix of K-Pop group Oneus, Luna, into a traditional performance taking place in the Joseon Dynasty, Korea.
- As our media team works on the films, we will also be holding 1-2 dance practices through the weeks leading up to the showcase. 1 hour on the weekday and 2 hours on the weekend. These practices will be essential in preparing our dancers for the showcase. In the week before the show, we will have a lock-in that will help familiarize our performers with stage spacing, desired lighting, and tech coordination. On the day before the show and during the showcase day itself, dress rehearsals will be held to finalize a cohesive run-through of Fashion Show.
- Additionally, we will host a runway. Since we used to do runways, we would like to bring them back to our showcase. The runway will consist of thrifted clothes that members design and buy as well as props for on-stage. These outfits will showcase different decades from the 80s to the present, representing our theme, Radiant Generation. Generation is a time of adaptation where the old and new learn from each other. In this diverse era, people from various backgrounds transition and regain what's lost. Time changes, and we're now radiant. Through this runway, we would like to showcase how we shine in each generation.
- Besides our dance and runway portions, we also invite 5-10 campus RSOs as guest performers to showcase their skills in dancing, martial arts, instrumentation, etc. We open an application for any RSOs to audition for a spot in our showcase and in the weeks leading up to the big performance, we hold dress rehearsals. Traditionally, we have invited Wushu, Taekwondo, TASC, VSA, and a few Asian sororities and fraternities. The purpose of having guest performers is to bring together the Asian community and show all of our unique talents
